

MERCERVILLE PTA MEMBERSHIP

Welcome to the 2019-2020 school year

As always, our goal is 100% membership and we are reaching out to everyone for your support in reaching our goal! Your membership is vital to enhancing your child's educational opportunities. Our **PTA** supports many programs that are beneficial to our school and students including *giving students green folders and assignment pads; organizing volunteers for room reps and library helpers; planning family fun events outside of Mercerville, like Trenton Thunder and ice skating; and hosting fun events at Mercerville, like Trunk or Treat and the Block Party!* We are a very busy PTA and need your support! Your membership is appreciated by every student in Mercerville School!

Please take this opportunity to become a member of the Mercerville PTA by completing the form below and returning it to Mercerville along with \$5.00 per person dues. Any family member can join, and you only need to join once regardless of how many children you have attending Mercerville. All membership cards are now sent electronically through MemberHub. One email address is requested per member in order to send an electronic receipt and membership card. Student members are not required to have an email address.

Of course, we welcome and encourage participation of our PTA members, but please know that a paid membership in no way obligates you to participate in PTA activities.

Thank you for your support!

We look forward to another school year filled with excellence, and we can't do it without YOU!

Any questions? Contact Marcia Allen mallen@mercervillepta.net
